Re: Selwyn Days v Graham  
07 Civ. 7484 (CLB)

Your Honor:

*Application Granted -  
Submit a written status  
report to the Court by

On September 12, 2007 we received the Court's Rule 4 order dated September 4, 2007, and a copy of the petition for habeas corpus relief. Point Four of the petition is the unexhausted claim of ineffective assistance of trial counsel for an alleged failure to investigate or use an alibi defense.

That claim is unexhausted because on September 18, 2007, the District Attorney was served with the defendant's motion to vacate judgment pursuant to CPL 440.10, on the ineffective assistance ground which is Point Four of the instant petition.

In order to avoid piecemeal litigation of this petition, the District Attorney requests that the petition be held in abeyance pending disposition of the CPL 440.10 motion in state court, which is presently returnable on October 18, 2007.

We suggest that respondent's time to answer this petition be extended to 30 days after the Appellate Division had denied leave to appeal a denial of the CPL 440 motion, or 30 days after petitioner's time to seek leave to appeal a denial has run (petitioner would have 30 days to seek leave to appeal from service of the order upon him).

Thank you for your consideration of this matter.

Very Truly Yours,

JANET DiFIORE  
DISTRICT ATTORNEY
